

Outdoor Insect Curtains

Custom made

Outdoor Insect Curtains are an elegant, cost-effective alternative to permanent screening. Removable and washable, custom-made curtains provide elegant insect protection to any outdoor space. With our outdoor tracking system, you can enjoy an “open porch” whenever they choose. It’s pest protection with class!

Features and Benefits:

- Removable & Washable
- Cost Effective
- Outstanding Quality
- Outdoor Curtain Tracking
- 100% Satisfaction Guarantee
- Flexible for ornate architecture
- Solution dyed for fade resistance

Use Outdoor Curtains on:

- Covered Decks
- Porches & Patios
- Gazebos
- Pergolas
- Garages
- Restaurants & Hotels
- Warehouse & Commercial

Outdoor Insect Curtains are perfect for the porch too beautiful to screen!

NEW CLEAR VINYL WINTER CURTAINS!!

Similar to what you may have seen on restaurant patios, our clear vinyl curtains allow customers to winterize their own decks and patios. Clear vinyl curtains offer year round use to any outdoor space. The clear vinyl panels use the same track as the Netting Curtains.

Clear Vinyl Product Information:

- Double polished marine grade
- 14 mil Clear Vinyl
- California fire rated (NFPA 701)
- Max roll width = 75" Cold crack test to 0°F or -15°C"
